# Welcome! Greek School 2010-2011

Greek language and culture are an integral part to understanding our world history. The School of Hellenic Language & Culture at St. Demetrios strives to develop this pivotal understanding in the people we serve by providing language and culture in our class structure — all while having a great time together in our community!

## Why Greek School?

- Learning Greek improves your word power—Thousands of English words are borrowed from Greek.
- Bilingual people have greater cognitive abilities and reduce the risk of cognitive loss in later life.
- Language study correlates to higher ACT and SAT scores.

## Why Greek School? (continued)

- College credit in middle school? St. Demetrios Greek School offers a U of W certification course for anyone age 12 or older.

## What's New This Year?

We're adding some fun community events this year beginning with Back To School Night on September 8th. Please join us at 5:30 for a meet and greet with our wonderful teachers as well as a pizza dinner!

- Also planned for the 2010-2011 school year is Greek Movie Night! More details to come on this great new event!
- Join our Parent Board and become more involved in our vibrant community!
- Changes to classes based on skill and age considerations open us to a level-based structure—so it's never too late to start learning Greek!
